

PIAA COMPREHENSIVE INITIAL PRE-PARTICIPATION PHYSICAL EVALUATION

INITIAL EVALUATION: Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first four Sections of the CIPPE Form. Upon completion of Sections 1, 2, and 3 by the parent/guardian, and Section 4 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be performed earlier than June 1st and shall be effective, regardless of when performed during a school year, until the next May 31st.

SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR: Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 5 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 6 need be completed.

SECTION 8 - INSURANCE WAIVER FORM

Insurance Waiver and Release Form

Dear Parent,

Your child has indicated an interest in participating in the North Allegheny High School Athletic Program. We know that it is your will as well as ours that every possible precaution be taken to protect our students from injury. We do our utmost to promote this by proper training, by the use of good protective equipment, by supervising all activities, and by encouraging good safety habits.

Despite all our efforts, accidents do happen occasionally in athletics as elsewhere. The school is not legally liable for medical or hospital expenses, damages related to pain and suffering, loss of earning capacity or any other expenses or damages resulting from athletic injuries incurred in interscholastic sports.

Although the North Allegheny School District provides school insurance, the school insurance does not cover all expenses. The best available insurance for the amount of money involved is a combination of our own school insurance and your own personal family insurance.

We the undersigned parent or guardian, intending to be legally bound, do hereby release, discharge, and waive the North Allegheny School District from any liability for any injury to our child (above named) resulting from any cause whatsoever in connection with our child participating in a North Allegheny Athletic Program(s) or any other interscholastic activity. We further hereby agree to indemnify and hold harmless the North Allegheny School District from any expenses that we may incur in connection with the participation of our child in the above mentioned activity.

Warning and Notification of Risk

Playing, practicing or participating in a sport can be a dangerous activity involving risk of injury. There is no limitation to the nature or severity of the possible injuries in some sports. Some sports injuries can result in serious permanent impairment or be life threatening. Unfortunately, injury may occur simply due to the nature of the sport without the occurrence of any unusual event and without fault.

I have read the above WARNING. I am aware and understand the risks of practicing, participating in and playing interscholastic activities. I recognize the importance of following the coaches' instructions regarding the activity.
