

Dear Friends of North Allegheny Athletics and Golf Associates,

The North Allegheny Athletic Department proudly invites you to participate in the Inaugural North Allegheny Athletic Department Golf Outing, which will be held at the historic Allegheny Country Club in Sewickley, PA on Monday, June 25. The event is designed to benefit the student-athletes who participate in more than 30 different sports.

The day will begin with a round of golf at one of Western Pennsylvania's most prestigious courses and conclude with a first class lunch to commemorate the event. This will be a day of fun and excitement on the course. Hopefully, you will walk away with a sense of the vision and vitality that we are experiencing in our athletic programs at North Allegheny High School.

Please join us this year by completing the registration and sponsorship information and return it as soon as possible. You will be contacted to confirm your reservations. The field is limited to 36 foursomes and reservations will be taken on a first-come first-serve basis. All foursomes must be prepaid in order to reduce congestion at registration.

We hope to see you June 25th to take part in the fun, healthy competition, and fellowship that will combine to make the North Allegheny Athletic Department Golf Outing at Allegheny Country Club such a great event.

Warm Regards,

Bob Bozzuto
Athletic Director

| Boys Volleyball | Boys Track and Field |
| Girls Volleyball | Girls Track and Field |
| Cheerleading | Boys Water Polo |
| Boys Cross Country | Girls Water Polo |
| Girls Cross Country | Wrestling |
| Field Hockey | |

TAKE A LOOK AT THE COURSE

A winding mile above the town of Sewickley, the first 18-hole golf course in Western Pennsylvania can be found. The site, of course, is Allegheny Country Club, a turn-of-the-century collection of rambling buildings dedicated to the leisure and pursuit of various sports.

Overlooking the golf course and tennis courts sits a sparkling white grand old dowager queen accented with touches of green known as the Clubhouse. After World War I, Allegheny became the scene for several golf and tennis tournaments, such as the international Davis Cup Matches and the U.S. Women's Amateur Golf Tournament in the fifties. In 1990, the U.S. Women's Mid-Am Championship was held at Allegheny as was the 40th USGA Senior Women's Amateur Championship in 2001.

Allegheny Country Club had its origin in 1895, but not at its present location. At California and Brighton Avenues on Pittsburgh's North Side, the first site of the club, a 6-hole golf course as well as tennis courts and a clubhouse were constructed. The Club proved so popular, however, that it soon outgrew this facility.

A new 150 acre site off Blackburn Road, then known as the Dairy Farm or McKean Tract, was purchased. The land was cleared and the clubhouse, designed by William Ross Proctor, was erected. A golf course, tennis courts, and a road were constructed and the property generally improved. In May 1902, the New Allegheny Country Club opened.

The golf course has changed quite a bit since it was designed by Donald Ross, the famous golf course architect. According to reliable information, there are thirty-two abandoned greens on the property. In 1945 the first seven holes of the back nine were completely remodeled. Presently, an exciting master plan for the golf course, developed by talented golf course architect, Gil Hanse, is well-underway. The plan is dedicated to restoring Donald Ross' classic design.

SCHEDULE OF EVENTS

SCHEDULE OF EVENTS
