2019 NA Summer Camp is being offered in three sessions and two age levels.

Skills Camp for 3rd thru 6th grade will focus on the fundamental skills of the game at an introductory level, with a modified ball, lower net, and a pace appropriate for younger athletes.

Skills Camp for 7th and 8th grade will focus on the fundamental skills of the game at a beginner/intermediate level, with a pace appropriate for athletes preparing to begin volleyball in Middle School. This is where we will see a wider range of knowledge and abilities, and training will accommodate athletes of all experience levels.

Competition Camp will focus on team concepts and will be faster paced in preparation for tryouts for the Middle School teams. Participants in this third session must have attended a skills camp.
