

Parent/Guardian Responsibilities

1. Review the Student-Athlete Responsibilities and expectations document with your child(ren).
2. Acknowledge understanding of the Student-Athlete Responsibilities document by signing and dating that you have read and understood the content of the document.
3. Ensure that your child(ren)'s temperature is taken each morning. If the temperature is greater than 100.0 F, your child is not permitted to attend practice or games. If at any time your child is not able to attend practice or games due to illness, please e-mail the head coach and/or the Athletic Director at bbozzuto@northallegheny.org.
4. Please make sure your child(ren) have a clearly labeled large water bottle(s) with them for every practice/conditioning. Water will always be available for our student-athletes, but it's a best practice to minimize refilling water bottles during practice/conditioning. We recommend your child bring a water bottle, with his/her name on it, that is at least 32oz. in size. Sharing water bottles are prohibited and no drinking fountains will be available.
5. When dropping off or picking up your child(ren), please stay in your car at all times. If it is necessary to enter the facility, you must have a mask on at all times and adhere to the social distancing guidelines (6' apart).
6. Parents/Guardians, Caregivers, and Boosters are not permitted to attend practice sessions.
7. Parents/Guardians, Caregivers, and Boosters may be permitted to attend games depending upon state, county, or conference regulations.
8. Parents/Guardians are requested to pick up their child(ren) at the designated practice end time to reduce the likelihood that student-athletes will congregate inside or outside waiting for their ride.
9. Parents/Guardians should assess their child(ren)'s level of risk for illness. Students with underlying conditions that may make them more vulnerable for illness should contact the Athletic Director to discuss any concerns you have in reintroducing your child(ren) to organized athletics.
10. Post workout snacks or drinks are prohibited.
11. Please be sure to practice proper hand washing at home. This is one of the best ways to mitigate the spread of communicable diseases such as COVID-19. ([Proper Hand Washing.pdf](#))

12. We discourage carpooling. However, if carpooling is the only option, please be sure to wear a mask at all times.
13. Concession stands are not permitted.
14. Please notify the head coach and Athletic Director in the event that your child(ren) have received a positive Covid-19 test, or has come in contact with anyone with Covid-19, or has any other illness, such as heat illness, concussion, etc. You can reach the Athletic Director, Bob Bozzuto, at bbozzuto@northallegheny.org or call at 412-527-0208.
