

# North Allegheny

## Spring 2021 Sports Registration Information

There are (4) requirements that must be completed by Monday, March 1st in order for a student to try out for a spring sport.

1. The **on-line registration** done on Family ID must be completed . Please go to the Family ID site ([www.familyid.com](http://www.familyid.com)) and search for the “North Allegheny Athletics - 2021 Spring Sports Registration Site. If this is your first time registering, please click on the “Create Account” in the upper right hand corner of the page. Please complete the required information to set up your account. Please remember the username and password that you select as this information will be needed for future sports registrations with North Allegheny. If you have already set up an account, please click on “Login” in the upper right hand corner and enter your username and password that you previously set up with prior registrations.
2. The **Physician’s Form (Section 6)** must be completed and submitted with your registration. If you already submitted a physical form to the Athletic Office this school year either online or got us a physical copy, there is no need to re-submit to our office again. All physicals not previously provided to our office must be submitted by Monday, March 1<sup>st</sup>. The date next to the doctor’s signature must be **June 1, 2020 or later**. Please note that turning your child’s physical into the nurse’s office does not fulfill this requirement. Schools do not share health information between other schools/departments. You can upload the physical to your child’s Family ID registration at any time; you can email the physical to [pmcclure@northallegheny.org](mailto:pmcclure@northallegheny.org), drop off the physical to the athletic office at NASH, or mail a copy to NA Athletics, 10375 Perry Highway, Wexford, PA 15090.
3. **Baseline Concussion (ImPACT) Testing** – Due to COVID restrictions, you must sign up for a specific date and time for baseline testing. Please use the google link below to sign up. All testing takes place at the senior high school (rooms #244). If you are unable to sign up for any of these free sessions, you will need to have your test done at the UPMC Concussion Clinic (Cranberry & South Side locations). **We do not accept baseline tests from Pediatrician offices, only outside tests performed at the UPMC Concussion Clinics.** If this is your first time registering for a sport this year and your child has taken their test at the UPMC Concussion Clinic, you will need to provide our office with a copy of the ImPACT report or the Passport ID number so that we can transfer your child’s results to our database. We will not be able to see that your son/daughter had the test if it was taken outside of North Allegheny. Our database only gives our UPMC trainers the ability to view and access baseline tests that were done here at NASH. We can transfer results into the database with the Passport ID information that you will need to provide to us. Here is the spring concussion testing sign up link (only need to attend one session):

[https://docs.google.com/forms/d/e/1FAIpQLScBdJOXvGjMs6uATI\\_AtKfj2zxznIzpwMzGAcSROYdDmYk8Hw/viewform](https://docs.google.com/forms/d/e/1FAIpQLScBdJOXvGjMs6uATI_AtKfj2zxznIzpwMzGAcSROYdDmYk8Hw/viewform)

All students entering 7<sup>th</sup>, 9<sup>th</sup>, or 11<sup>th</sup> grade MUST take a baseline test. Any students entering 8<sup>th</sup>, 10<sup>th</sup> or 12<sup>th</sup> grade do not need to take the baseline test (as long as they took it sometime during their 7<sup>th</sup>, 9<sup>th</sup>, or 11<sup>th</sup> grade year). If not, they will need to have a test done). The Athletic Department does not have access to the database, so we are not able to confirm when your

child had his/her last baseline test. Only our trainers have access to that information. You can reach our trainer, Tabitha Ryan, at [tryan@northallegheny.org](mailto:tryan@northallegheny.org). No shuttle buses from the middle schools to NASH will be provided. If you are at NAI, you can take any of the after school busses to NASH if you have an after school time. Please allow a minimum of 45 minutes for the completion of the test. **NOTE: If your child has any special accommodations regarding learning in school, please contact the athletic office to determine if any accommodations need to be met with impact testing.**

4. **Participation Fees** are required prior to the start of tryouts for all Interscholastic and Club Sports! The easiest and fastest way to pay this fee is on-line via the Family ID site by choosing the "Pay On-Line" tab at the end of the registration process with either a PayPal account or a credit card. Please be sure to add your athlete to "My Cart" to finish the payment process.

The second way to pay a Participation Fee is to choose the "Pay Off-Line" tab at the end of the [familyid.com](http://familyid.com) website and physically drop off a check to the Athletic Office (not to the student's school office) prior to Monday, March 1<sup>st</sup>. Checks should be made payable to "NASD". The student will not show up on the coach's alphabetical list of "approved" students to tryout until the Participation Fee is paid.

The Family ID website also allows for financial hardships and for family caps. Those participants should check the appropriate box when registering. You will complete the entire registration process, but your balance will be "\$0.00". Family Cap – The cap is met by having paid for (3) \$75 sports within the 2020 - 21 school year for Interscholastic Sports for a total of \$225 OR (3) \$25 sports within the 2020 -21 school year for club sports. Club and Interscholastic sports are capped separately, not together. In addition, summer recreation registrations are not included in the family cap.

If you have any questions or need assistance with the registration process, please contact the Athletic Office at 724-934-7238 or e-mail [pmcclure@northallegheny.org](mailto:pmcclure@northallegheny.org).
