Superintendent's Message:

I would like to congratulate and welcome all of the inductees and special award winners into the 2017 North Allegheny Athletic Hall of Fame! The contributions and accomplishments of these exceptional individuals have greatly enhanced the North Allegheny tradition of excellence. As the parent of a student athlete, I see firsthand the impact athletics has on building well-rounded individuals both on and off the field.

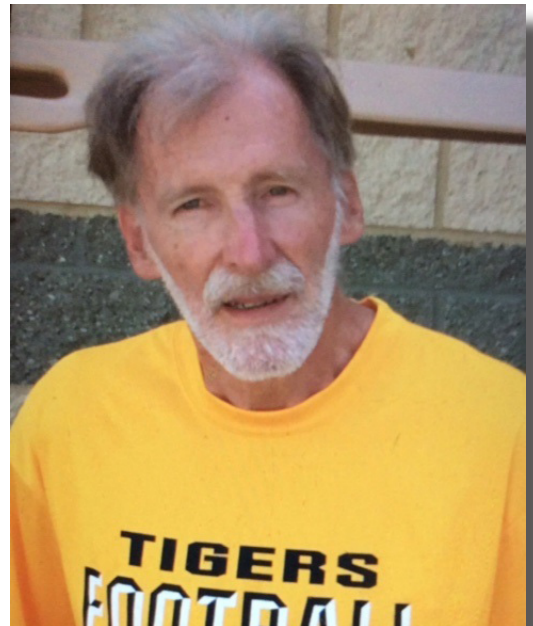

My apologies for not being there in person this evening, however I am meeting with legislators in Harrisburg and attending a conference with other regional superintendents. Thank you all for all that you have done to make the North Allegheny athletic program a model of excellence and a source of pride for everyone in the community.

Robert J. Scherrer, Ed.D.
Superintendent of Schools
North Allegheny School District

North Allegheny Athletic Hall of Fame

The Joseph Drazenovich Award for Legendary Service

Jimmy Turner 2017 Recipient

Jim Turner is 100 percent a North Allegheny Tiger. Jim has dedicated numerous years to providing great assistance to both our students and staff, as well as the entire North Allegheny District and community.

You will find Jimmy wearing many hats, from supervising the Baierl Center, to assisting Athletic Director Bob Bozzuto and his entire staff in doing every job possible in the office, to helping prepare our athletic venues for competition. The list goes on and on.

Jimmy is extremely unselfish with his time who, by his own design, prefers to remain in the background. In fact, while Jimmy is proud to be the recipient of the Joseph Drazenovich Award, he would probably rather be attending tonight's boys soccer and volleyball games.

Jimmy plays a pivotal role in our success seven days a week. On behalf of the entire Athletic Department, especially Patti McClure, Sara Ricci, and Bob Bozzuto, we appreciate all of your efforts, and love you very much!

Jimmy resides in the North Allegheny School District. He has two adult sons, Brian and Jason.

North Allegheny Athletic Hall of Fame

The Bob Miller Award for Outstanding Support of North Allegheny Athletics

Susan Sweeney 2017 Recipient

Susan Sweeney grew up in Farmington, Michigan, the youngest of four girls. Susan attended the University of Detroit, where she met her husband Jim. The two will celebrate their 49th wedding anniversary on October 18th.

Susan began working at North Allegheny in 1987, as a four-hour aide, and then as a library secretary, before becoming an administrative assistant in the athletic office. Susan and her long-time friend and Athletic Department administrative assistant Pat Balok (Bob Miller Award-2007) provided great leadership, direction, and guidance to our athletic programs for many years.

Susan bleeds black and gold. She loved her job in the department, calling it the best place to work in the District. Susan and Pat began their work day around six in the morning, and were often here until ten at night. The pair provided outstanding guidance and a wealth of information to Athletic Directors Tim O'Malley and Bob Bozzuto.

Susan was also the cheerleading coach from 1990 to 1999, attending all football, boys soccer, and boys and girls basketball games both home and away with be friends and fellow coaches Debbie Hammel and Linda Eyerman.

"Our athletic office staff is the best in the country. Susan, Pat, Bonnie (Woods) and current staff members Patti (McClure) and Sara (Ricci) are more than outstanding administrative assistants....they are part of my family", said Bob Bozzuto. "I love them all very much."

Susan and Jim have two children and three grandchildren. Their son Michael and his wife Karen have two children, Lauren (13) and Connor (10). Their Daughter Jennifer (a former NA cheerleader) and her husband Malcom have a son, Adam (5).

North Allegheny Athletic Hall of Fame

Bob Austen Award for Distinguished Coaching Service

John Haddad 2017 Recipient

John Haddad began his coaching career at North Allegheny in 1988, and continued to be an integral part of our athletic success through the fall of 2016.

John has worn many hats for the Tigers football program. He was an assistant varsity football coach for 18 years, as well as the head football coach at Carson Middle School and the freshman defensive coordinator. On the varsity level, with John's ability to motivate, prepare, and coach, our defensive linemen rose to a superior level of play. John's knowledge and vision of the game assisted our defensive coordinator's game plan every week, as well as aiding in making in-game adjustments. John went about his business with great dedication to our football players, coaching staff, athletic department, school, and his community.

John began his stellar coaching career as a graduate assistant at Indiana University of Pennsylvania. He then coached for the Perrysville Stars for two years before becoming an assistant coach at Northgate in 1983, and then Pine-Richland in 1994.

We were then very fortunate to bring John to North Allegheny. His contributions on the football field are many. Equally, the number of lives he has affected in a positive manner is endless.

John and his wife of 28 years Nadine have a daughter Meg (NA Class of 2002), a son Jake (NA Class of 2010), and two grandchildren, grandson Carter and granddaughter Jordyn.

She was also honored with a Big 10 Sportsmanship Award. Kim also coached at North Allegheny from 2007-2010.

2017 Hall of Fame Inductees

Zach Nanni

Volleyball

Class of 2003

Zach was a boys' volleyball standout from 2000-2003, competing at the varsity level in his sophomore, junior, and senior seasons. Zach played for coaches Bob Miller and Dan Schall and was part of an instrumental class that carried on the excellence established by Coach Miller. The 2002 team, on which Zach was a starting outside hitter, advanced to the WPIAL semi-finals. The defeat in the semi-finals propelled the team to an inspired run to the state finals before losing 2-1. Zach would emerge as the dominant WPIAL player in 2003 leading the Tigers to a perfect regular season record, a WPIAL title, and once again to the state final. In addition to match play, the 2003 team won all five of its' tournaments it played in, a feat that is unlikely to be replicated.

Zach earned several individual awards which include 2002 All-WPIAL, 2002 All-State, 2003 WPIAL MVP, 2003 All-State, 2003 – single-most kills in a season at NA (460), a record that has been surpassed since. Zach went on to star as a libero (defensive player) at St. Francis from 2004-2007. At St. Francis, Nanni made his mark in the record book including most digs in a match – 25 (vs. Santa Cruz), 2nd most digs in a match – 23 (vs. George Mason), first and second highest digs in a season – 267 in 2007 and 229 in 2006, most career digs – 804, and 2nd team All-EIVA (East) selection in 2006. The awards and numbers are impressive but the non-statistical information gives it a layer of substance. Zach is 6'0" – very small for a high school outside hitter. Nonetheless he is among the most dominant outside hitters – of any size- at the high school level. He was a competitor. He wanted the ball when the game was on the line. Often, the opponent knew he would get it, and they couldn't do anything about it. He did it all – tough server, an excellent passer and defensive player; an offensive weapon with a cannon of an arm, a fearless competitor. "In North Allegheny's rich volleyball history, Zach is among the elite," stated head coach Dan Schall.

Amy Olshenske Mackle

Softball, Basketball

Class of 1989

Amy was a four year starter for our basketball and softball programs. Amy scored 1,072 points in her NA basketball career, was named to the Pittsburgh Press Fabulous Five and was instrumental in our team's success. As a shortstop for the softball team, she was one of the leading hitters in team history with batting averages at or over .500. She was named to the Post-Gazette's North All-Star Team in 1987 and 1989. In 1989, Amy was named female athlete of her class in 1989. Amy played in the First Roundball All State Classic. Amy continued her career at Clarion University from 1989 to 1991 and started as a freshman. Amy's basketball talents helped Clarion reach the NCAA Division II Elite Eight round, and won the PSAC title.

Amy also played shortstop for Clarion's softball team in 1991 and 1992. She is currently a fifth grade teacher in the Toms River Regional School District, and is a volunteer baseball and basketball coach, a basketball official, and a baseball umpire. Amy and her husband Pearse have two children, Colin (16) and Ryan (14).

The North Allegheny Hall of Fame is in its twenty-first year, honoring former student-athletes, coaches and administrators for athletic excellence. Since 1997, we have inducted 185 individuals, which includes the Class of 2017. An addition 52 members have been honored with the Joseph Drazenovich, Bob Miller, and Bob Austen Awards.

Each association member is permitted to nominate one former student-athlete, coach or administrator annually. These forms may be obtained from the Office of the Director of Athletics. Each ballot is reviewed by the Hall of Fame Committee and submitted to the membership for voting. Association by-laws reflect eligibility requirements, number to be elected, etc. The Association is proud of the fact that all funds raised have been donated toward District projects such as the

Hall of Fame Room located in the south lobby of the Baierl Center (formerly known as the Center of Excellence), the NA Athletic Department website, the NASH baseball/ softball lighting project, the locker room in the Baierl Center, and the Hall of Fame Room in the lobby of the high school, among others.

To become a member of the Hall of Fame, simply complete the application in this program and forward it to the NA Athletic Department, c/o Bob Bozzuto, 10375 Perry Highway, Wexford, PA 15090. Thank you for joining us this evening to honor the North Allegheny Athletic Hall of Fame Class of 2017!

2016-2017 North Allegheny State Champions

Ayden Owens

Ayden Owens competed in three events, each ending with a podium performance. He placed seventh in the Long Jump with a leap of 21 feet 8.5 inches. On the track Ayden ran the fastest time of the day, and of his life, in the 110m High Hurdles with a scorching time of 13.76 seconds, a new meet record and breaking a NA school record that has been held since 1992. Ayden also placed first overall in the 300m Hurdle race with a time 37.47 seconds, which bests his current school record by .01 second.

Clara Savchik

It was a record breaking day at the PIAA State Meet and NATF certainly did their part to contribute. The fastest female distance runner of the day, Clara Savchik led most of her race and was first to cross the finish line in the 3200m Run with a time of 10:21.65. This time shatters NA's existing school record by over five seconds.

Jake Woodley

Senior Jake Woodley earned two more wins at the PIAA tournament on Saturday to cap off a brilliant career at North Allegheny as a two-time state champion. Woodley pinned Nick Duliakis of Owen J. Roberts in the semifinals at 195 pounds and finished off his journey for state gold with a 3-1 decision over Ethan Laird of General McLane in the championship bout. The Oklahoma recruit ends the season with a 50-2 record and a career mark of 147-42.

Boys 200 Medley Relay

Andrew Zhang, Ricky Mihm, Maxwell Gonzalez, Mason Gonzalez

The 200 Medley relay team of Andrew Zhang, Ricky Mihm, Maxwell Gonzalez and Mason Gonzalez began the meet with an impressive performance. The team dropped more than three seconds from their seed time and beat the second place team by nearly three seconds.

Mason Gonzalez - 50 Free & 100 Free

Mason Gonzalez won gold in the 50 Free by swimming a 19.99 time. He is only the third swimmer to go sub-20 at the PIAA meet. Mason also took first place in the 100 freestyle with a time of 43.62.

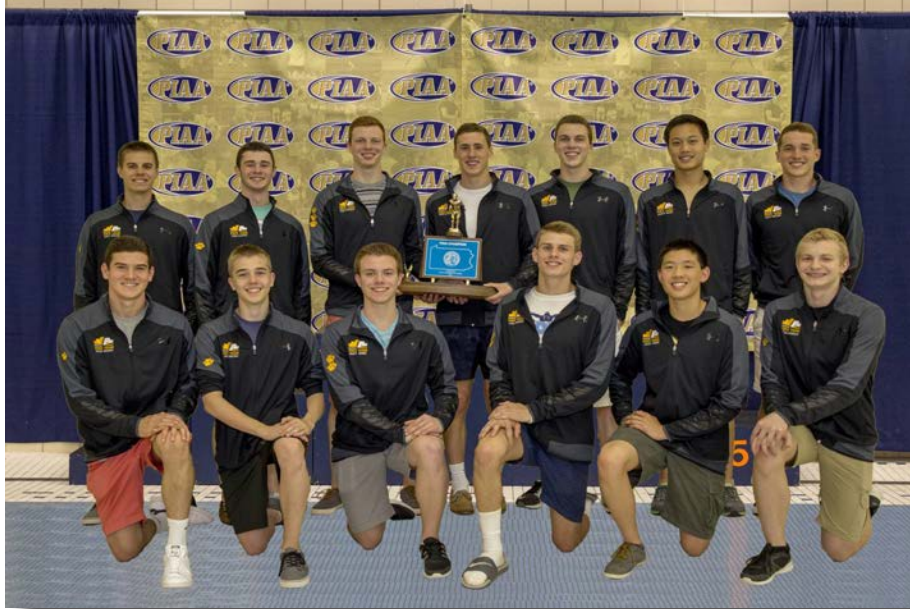

Boys 200 Free Relay

Jack Wright, Ricky Mihm, Maxwell Gonzalez, Eben Krigger

The team put a wrap on day one with a **PIAA record breaking** swim in the 200 Free Relay. Jack Wright, Ricky Mihm, Maxwell Gonzalez and Eben Krigger glided to a nearly 3 second victory over the second-place team.

NA Boys Swimming and Diving

With another dominant performance in day two of the PIAA swimming championships the North Allegheny boys' team clinched a state title, its first since 2010. Because the PIAA had to rearrange the meet schedule as a result of Winter Storm Stella last week, the diving portion of the program was moved to next weekend which means the Tigers' victory celebration will have to wait until then. Despite the delay, a state championship coronation is inevitable as North Allegheny holds an insurmountable, 271-183, lead over second-place LaSalle College.
