*Joseph Drazenovich Award
for legendary service to North Allegheny Athletics*

Joe Frank, 2003 Recipient

Joe retired from North Allegheny in 1999, ending a career of nearly 40 years' service to North Allegheny's students as a teacher, coach and source of inspiration.

In the early 60's, Joe started an elementary school intramural program in flag football, basketball & softball. Later in the decade, he started a Saturday recreational program. He then went on to coach the North Allegheny midget football team in the early 70's.

Joe coached the Ingomar Middle School football team from 1974 through 1981 before moving up to the varsity level as assistant coach. From 1980 through 1985 his junior varsity teams enjoyed an outstanding record of success.

In 1986, Joe returned to Ingomar Middle School where he coached football until his retirement.

Joe was also a varsity wrestling coach, serving from 1975 through 1999; his teams enjoyed many undefeated seasons, not only in matches but in many tournaments. Another love of Joe's was coaching gymnastics from 1974 through 1981. He ended each season with a gym show at Ingomar Middle School.

Joe started the summer recreation program with which we are so familiar, and which was later taken over by the communities in North Allegheny. He spent thirty years as director.

Joe completed his career at NA in triumph. His football and wrestling teams both went undefeated!

Few indeed are the persons whose contributions to North Allegheny's success come close to those of Joe Frank.
