March 2022

ATTENTION: Guidance Counselor/Athletic Director

In 1976, the Western Pennsylvania Football Officials Association established a scholarship fund, the Malcolm M. Prine Western PA Football Officials Fund, which is dedicated to providing financial assistance to football student/athletes who attend the high schools for which our association officiates.

Since that beginning, financial support has been provided to over 100 high school varsity football student/athletes. These scholarships are awarded to varsity high school football players at the schools where we have the privilege of officiating. The scholarships are awarded on the basis of financial need, academic scholarship, and citizenship.

For the 2022 awards, we will award scholarships in the amount of \$14,000 each, payable to the school of the recipient's choice, at \$3,500 per semester for the student's first four (4) semesters (commencing with the Fall 2022 semester). The funds are available for any accredited post-high school formal education program the recipient elects to pursue. Please note that the applicant must have played varsity football in high school, but does NOT have to plan to play football in college.

Please inform the eligible students in your school of this opportunity. An Application form is enclosed; please feel free to copy this for as many applicants as you may have.

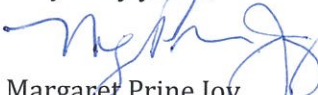

Completed applications must be returned by June 1, 2022, to:

We will announce our awards in the early summer of 2020. Please advise applicants that incomplete or untimely applications cannot be considered.

Thank you for your help in distributing this information and for anything you can do to assist your student/athletes in completing the application process. We are delighted to be able to continue supporting the academic and athletic pursuits of these worthy young people.

Very truly yours,

Margaret Prine Joy
