

Spring 2023 Sports/Physical Registration Process

Spring 2023 Physical/Sports Registration for 7th – 12th grade site will be open on Wednesday, February 1, 2023. Please use the link below to access the familyid site:

<https://www.familyid.com/north-allegheny-sports-registration/spring-2023-north-allegheny-sports-registration-site-7th-through-12th-grade>

There are (4) things that have to be completed by Friday, February 24th in order for a student to participate in a winter sport:

1. The **on-line registration** must be completed on the familyid.com website. You can only check one sport per season! If the student is planning to try out for baseball (for example), doesn't make the team, and wants to run track, that is perfectly fine! The coaches will only get an alphabetical list of approved athletes for tryouts!! Choosing one sport on the familyID.com website does not mean that the student must play that sport. If a student tries out for a spring sport, doesn't make the team and doesn't want to play another spring sport, we will refund the Participation Fee in the same format it was paid to us. For example, if they paid via credit card or PayPal account, that money will be refunded to that account or card. If they paid via check, the uncashed check will be returned.

If you are not computer savvy and would like help with the registration process, please call our office and we'd be happy to help you navigate through the registration. There is a toll-free number, 1-888-800-5583 x1, that FamilyID has set up to answer any questions or help with problems.

2. The **Physician's Form (Section 7)** must be filled out and turned into the Athletic Office by Friday, February 24th. **The date next to the doctor's signature cannot be any earlier than June 1, 2022.** If your son/daughter had a physical done in March 2021, that's fine, but the date next to the doctor's signature must be after June 1, 2022. A copy of Section 7 is available on the Athletic Page of www.northalleggheny.org under Spring Sports Registration on the front page under Announcements.

You can scan and upload a copy of the physical form to your familyid.com account. Under "Participant" on familyid.com, you will see "Scan and Upload

a Physical Form Here". Scan and save your child's physical form to your computer and upload it to your son/daughter's familyid.com account. This option will save you a trip to the Athletic Office. You still have the option to bring or mail in your son/daughter's physical form to the Athletic Office located across the hallway from the gym.

3. **Concussion Testing** – A baseline concussion test is required to participate in a winter sport. The following are the testing dates for spring sports:

- **Boys/Girls Track/Field (all levels)** – Mondays, Feb. 13th or 20th at 4:00pm
- **Girls Flag Football (HS)**- Mondays, February 13th or 20th at 4:50pm
- **Boys/Girls Lacrosse (HS)** – Tuesdays, February 14th or 21st at 4:00pm
- **Baseball (all levels)** – Wednesdays, February 15th or 22nd at 4:00pm
- **Softball (all levels) & Rowing (HS)** - Wednesdays, February 15th or 22nd at 4:50pm
- **Boys Volleyball & Boys Tennis (all levels)** – Thursdays, February 16th or 23rd at 4:00pm

Make up Dates – Tuesday, Feb. 28th or Thursday, March 2nd at 4:00pm

The testing is located on the 2nd floor of the Senior High School Computer Lab (Room 244). **No registration is necessary** and the test takes about thirty minutes. **Please arrive no later than 15 minutes prior to the posted start time.** No one will be admitted after the testing has begun, so please be there on time. ALL students entering 7th, 9th or 11th grade next year MUST have a new test on file regardless of when they took it last or they will not be able to tryout in November. Any student entering 8th, 10th or 12th grade does not need to take the baseline test as long *as they took it sometime during their 7th, 9th or 11th grade year.* Any athlete who played or tried out for a Fall 2022 and/or Winter 2022 – 2023 sport has a valid baseline test and does not need to take another to play a winter and/or spring sport during the 2022 – 2023 school year.

4. **Participation Fees** are required PRIOR to the start of tryouts for all Interscholastic and Club Sports!! The easiest and fastest way to pay this fee is on-line at the end of your child's registration process on the familyid.com website. Please choose the "Pay & Submit" tab at the end of the registration process and, at the next screen, click on "Proceed to Payment" where you can either login to your current PayPal account or pay via credit card. This payment process can be completed in the comfort of your home. This process does not apply to any intramural sport, band, forensics, orchestra, etc. This

on-line opportunity only applies to Interscholastic and Club Sports at North Allegheny.

If you choose not to pay on-line, please choose the "Pay By Check" tab at the end of the familyid.com website, and hit "Submit". You will then need to drop off a check to the **Athletic Office** (not the student's main office) prior to Wednesday, November 9th. Checks are made payable to "NASD". The student will not show up on the alphabetical list of "approved" students to tryout until the Participation Fee is paid. The website allows for financial hardships and for family caps. Those participants should choose the "Pay By Check" and "Submit" tabs and drop off a letter for financial hardship to the Athletic Office. This procedure is the same as what was required in previous years.

If you have any questions, please contact Patti McClure at pmcclure@northallegheny.org or Brittany Glass at bglass@northallegheny.org in the Athletic Office.
