

NORTH ALLEGHENY BASKETBALL

Presents... the first ever 1st/2nd Grade

3v3 Basketball League

For the first time ever, North Allegheny Basketball will be providing a league for our current 1st and 2nd grade boys. The league will run for 6 Saturdays at North Allegheny Senior High School. Instead of waiting until 3rd grade to play 5v5 basketball with NABA, we wanted to provide your youngsters with the opportunity to learn the game in a 3v3 setting. This will prepare them for the future.

Each Saturday they come in, we will bring in 1st graders for the first hour. They will go through 20-25 minutes of skill with our coaching staff, and then we will break them into teams to play 3v3. They will then play two 15 minute games. Following the 1st graders, the 2nd grade will come in for the second hour and do the same thing. **YOU WILL NOT NEED TO GATHER A TEAM TO JOIN THIS.** Teams will be randomly selected each week.

You can participate in this league for \$150/player. Checks made out to Rob Niederberger or Venmo @Robert-Niederberger-1
